Mayor Dan Peeples

Council Members

David Owens (Mayor Pro Tempore)
James Caldwell Mark Fidler
Brent Newsome

The City of Varnell would like to present you with an opportunity to advertise on our fields. We want our parks to be attractive and safe for both children and adults.

By advertising on our fields, you are showing your support of our community. Even if your business or organization is not located in Varnell, you may have customers or patrons who are members of our community. Through an advertising sign, you are given the opportunity to promote your business year round. You are also showing your support for the children of our area.

In the past, many improvements have been made through advertising dollars and donations. Please consider purchasing an advertisement that will be placed on the fences of our ball fields.

Fees

You can purchase a sign that will stay for one (1) calendar year for a fee of \$150.00. Each additional sign will cost the same and can be placed on the other field. Also, if you would like to make a cash contribution, your donation would be greatly appreciated. All donations of the City of Varnell are tax deductible.

Signs

Size of sign will be 3 feet high and 6 feet in length. Signs will be white with your art work. The City of Varnell will provide the signs and will retain ownership of signs. Any logos used will be provided by the advertiser.

Liabilities

The City of Varnell will retain ownership of the signs and it is agreed by all parties that the advertiser will assume no liability for the signs or mounting of the signs, or any accidents involving the signs.

The City of Varnell will not be liable for any vandalism to signs which may result in advertiser's loss of business or defamation to the business name because of such action. The City of Varnell will replace any damaged sign with no other liability being expressed or implied.

Exceptions in Advertising

No signs advertising alcohol or tobacco products will be allowed. The City of Varnell reserves the right to refuse any advertisements deemed inappropriate.
